Honorable Vincent L. Briccetti  
United States District Judge  
300 Quarropas Street, Room 620  
White Plains, NY 10601

**Re: Robert C. Rozell (“Appellant”) v. Nancy L. Carpenter (“Appellee”); 16 CV 4360**

Dear Judge Briccetti:

In accordance with the scheduling order for the above referenced case, this letter shall serve as a joint settlement status report.

Francis J. O’Reilly, counsel for the Appellee, and I met on at least three occasion and discussed settlement. While such discussions were productive, no settlement could ultimately be reached.

Additionally, I request some additional time to the end of September to submit the Appellant brief, since it has not been started to date in hopes that settlement would be successful. Mr. O’Reilly has consented to such extension.

Very truly yours,

---

H. Bruce Bronson, Esq.,  
Counsel for Appellant
